Introduction

Thank you for taking the time to participate in this vital conversation to talk about your use of technology in your teaching. Your involvement is essential to helping us fully understand the needs of the faculty and will help design Harvard’s Next Generation Learning Management Ecosystem.

Questions

1. What technology do you currently use in your teaching?
2. What works well, what works less well? Why?
3. Is there something that you’re not doing now, that you wish you could?
4. How could the new platform make this easier?

Optional Drill Down Questions

1. What could be done to improve course material access and delivery?
2. What would support the kinds of assignments you are giving your students?
3. What could be done to improve course communication?
